GAS FRYERS

**FGF40L
FGF40N**

**FGF50L
FGF50N**

**FGF75L
FGF75N**

Standard Features:

- Fully assembled flue.
- Tank - stainless steel providing durability for high production output.
- 1 1/4" Full port drain valve for fast draining.
- Cabinet - Stainless steel front, door and sides.
- Millivolt Thermostat, 200°F - 400°F.
- 1 - year limited warranty, parts and labor.
- High-Temperature safety limit switch.
- Thermo-Safety pilot with built-in regulator.
- Separate Manual gas shutoffs, for front servicing.
- Heavy-duty cast iron burners.
- Tubes constructed of heavy gauge metal.
- Heavy gauge deflector system providing a quicker recovery time.

Specifications

- 30,000 BTU/h per burner.
- Manifold pressure is 4" W.C. (Natural Gas) or 10" W.C. (Propane Gas).
- 3/4" NPT rear gas connection and pressure regulator for both natural gas and propane.
- Check the altitude specifications above 2,000 ft.

LIMITED ORIGINAL COMMERCIAL EQUIPMENT WARRANTY

Fortress warrants that the equipment, as supplied by the factory to the original purchasers, is free from defects in materials and workmanship because of normal use for a period of one (1) year from the original purchase date or a maximum of eighteen (18) months after the shipment date from Fortress. When evaluating the warranty of each piece of Fortress equipment, proper installation, and start-up in accordance with the instruction manual will be considered. Warranty coverage includes Fortress equipment that is sold only in the Continental United States. Repairs under this warranty are to be performed by a Fortress authorized gas appliance service company that is located nearest to the equipment's location where the equipment is to be repaired.

This standard warranty is subject to the following conditions and limitations. This warranty is limited to product(s) sold by Fortress to the original buyer in the continental United States. Original installation must occur within one (1) year of the date of the original purchase, and proof of the installation date must be provided. Equipment must be located at the original installation location regardless of the same owner. The Fortress warranty is limited to the repair or replacement of any part found to be defective. The Fortress warranty will cover normal labor charges incurred in the repair or replacement of a warranted piece of equipment. This warranty does not apply to any product(s) which have not been installed in accordance with the directions published in the appropriate installation and operation manuals. Fortress will bear no responsibility or liability for any product(s) which have been mishandled, abused, misapplied, misused, subjected to harsh chemical action or poor water quality, field modified by unauthorized personnel, damaged by flood, fire, or other acts of nature, or which have altered or missing serial numbers. Fortress warranty does not authorize the use of any product(s) in a non-commercial application, including but not limited to residential use. The use or installation of the product(s) in non-commercial applications renders all warranties, express or implied, null and void, including any responsibility for damage, costs, and legal actions resulting from the use or installation of the product(s) in any non-commercial setting. Adjustments such as calibrations, leveling, tightening of fasteners or utility connections normally associated with original installation are the responsibility of the installer. Should service be required at times that normally involve premium labor rates, the owner shall be charged for the difference between normal service rates and such premium rates. Exceptions to the standard warranty period are as listed: A two (2) year warranty for fryer tanks only will apply. Warranty shall not apply to defects attributable to the usage environment, for example from using dirty, corrosive water, poor quality gas, or electricity of incorrect current rating or voltage. All damage due to over-voltage is excluded from the warranty. Non-clog range top open burners have a lifetime warranty. Original purchased replacement parts supplied by Fortress will be warranted for 90 days from the parts invoice date. This warranty is for parts cost only and does not include freight or labor charges.

Fortress assumes no liability for misuse or inadequate maintenance of the Product. In no event shall the user be entitled to recover incidental or consequential damages. Including but not limited to; damages for inconvenience, food loss, rental or replacement equipment, loss of profits, or other commercial loss. Warranties stated above are the only warranties made in connection with the sale and distribution of Fortress products. ANY AND ALL OTHER EXPRESSED STATUTORY AND IMPLIED WARRANTIES APPLICABLE TO THE PRODUCT INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR USE ARE EXPRESSLY DISCLAIMED. The warranty information set forth above shall be governed by and construed in accordance with the laws of the State of North Carolina and, if applicable, the laws of the United States of America. The warranty, as stated, is extended only to the original owner/user and is not assignable. Fortress reserves right to change product specifications without notice due to constant product improvement.

FREE FREIGHT PROGRAM

Fortress offers free freight on qualifying orders, as per the above map, unless otherwise specified. Items must be in stock at the time of purchase and must ship from one location to one destination, within the continental United States. No free freight on back orders is allowed, freight charges will be added to your invoice. You can however combine your back orders (once available) with other items to qualify for the free freight allowance. We reserve the right to choose the shipper. Any additional service such as; lift-gate, notification of delivery, inside delivery or other special requirements will be subject to an additional charge to your invoice. Any charges from freight companies that arise due to incorrect addresses provided by the customer or rejected shipments that were previously approved will be charged back to your account.

FREIGHT CLAIM

Before accepting any shipment, inspect it carefully and note any damage or shortage on the freight bill before signing for the delivery. If any concealed damage or shortage is found, notify the carrier within five days and request an inspection. Report any damage to Fortress within five days of delivery. Retain the original packaging for claim purposes. Fortress is not liable for any damage or loss. *Our responsibility for shipment ceases with acceptance of the "Bill of Lading" by the carriers.*
